

Curriculum Vitae

Personal information

- **Full Name:** Fasil Tesema Kebede
- **Date and place of birth:** 18/01/1985, Gondar
- **Sex:** Male
- **Citizen:** Ethiopian

Education

- Msc in physics from Bahir Dar University, Ethiopia, July 2010.
- Bachelor of education in physics from Haramaya University, Ethiopia, July 2006.

Employment

- Graduate Assistant I, Wollo University, Ethiopia, Nov. 2006-Nov. 2007.
- Graduate Assistant II, Wollo University, Ethiopia, Nov. 2007-Nov. 2008.
- Lecturer in Physics, Wollo University, Ethiopia, July 2010- Present.

Main Research interest

- Ionospheric physics
- Sun's activity
- Ionospheric scintillation

Thesis carried out

- Night time spread F and its associated GPS L-band scintillations in Ethiopia (Msc thesis).

Skills and activities

- Intermediate level in MATLAB programming (Windows, Mac and Ubuntu OS).
- Beginner level in R Programming (Windows).
- Participated in The 2010 International Space Weather Initiative (ISWI-2010) summer school in space physics.
- Member of Washera and Geo-space Radar science Laboratory (WaGRL) run by Baylie Damtie (Dr.), Bahir Dar University, Ethiopia.
